

MEETSETSHEHLA SECONDARY SCHOOL
THIRD TERM NEWSLETTER: 2014

3 October 2014

Dear Parents

Prize-giving

The prize giving function will take place on Friday 17 October 2014 at 9:00 at our school.

All parents are cordially invited to attend this ceremony.

Academics

All grade 8 – 11 learners need to be more serious about their schoolwork to ensure a pass at the end of the year. All the grade 9 – 11 learners will be writing common exam papers set by the Limpopo Province, Department of Education in October 2014. Learners must therefore prepare all the work done during the course of the year, as the whole syllabus will be covered by this exam. **Learners who repeat the same grade more than once and who are over-age will not be admitted in 2015.** We have a moral obligation towards new learners waiting to enroll, because our numbers are increasing every year.

Final exams

The grade 12 final exam will start on Monday, 20 October 2014. **All grade 12 learners are expected to attend school until Wednesday, 15 October 2014.** They will receive their final exam admission letters on 15 October 2014. It is of the utmost importance that all grade 12 learners attend school until 15 October to enable them to complete an extensive revision programme. We wish our grade 12 learners success with the preparation and writing of their final exams.

Enrollment 2015

Application for admission of new learners for 2015 have officially closed on 23 September 2014. Late applications will be accepted until 31 October 2014. The principle of "first come, first serve" will apply regarding late applications.

The following documentation must be submitted to the office at the beginning of next year:

FET 2015
